

To all competitors in the 1966 Woodsman's Weekend

From the Dartmouth Outing Club

Date: June 1, 1966

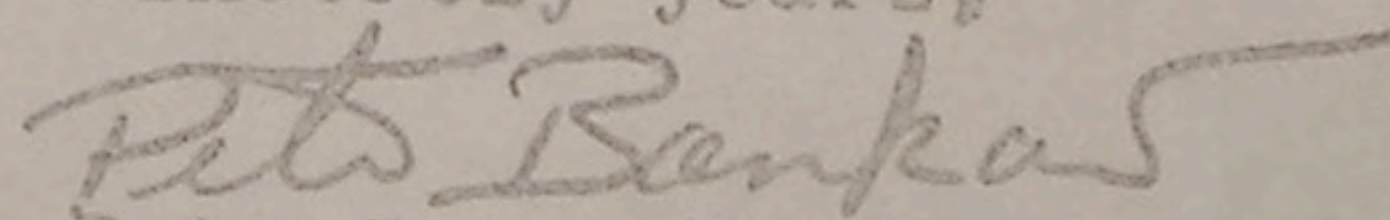

We are very sorry to be so late in reporting these results to you, but everyone around here seemed to think $\frac{1}{2}$ that everyone else was sending them out. These scores were tabulated by our computer center, and they guarantee accuracy to the .000001 place. Unfortunately we ruined all this by rounding all of the scores off, so if your total score is not the exact total of all your points, this is the reason.

Despite the rain on Saturday night we felt that it was a good weekend, and we were glad to see so many teams in Hanover for the competition. The weekend was the high point of activity for the D.O.C. this spring, and we hope that all of the teams had an enjoyable time. It was especially good to see the MacDonald boys down; I think that they discovered that Hanover in May is considerably different from Montreal in January.

We of the D.O.C. would like to extend special thanks to our three judges, and everyone who helped in any way in making the meet run as smoothly as it did.

Our congratulations to the Nichols team on their fine performance and decisive victory. We hope to see you all again next year both at MacDonald and at Colby.

Sincerely yours,

Pete Bankart

President, Dartmouth Outing Club
